

BLANK STORY MINI-BOOKS

BLANK STORY MINI-BOOKS

Printing directions:

- Test printing a page to see how you need to scale the pages to fold perfectly (I have found that you need to print at 100% on most printers). Every printer and computer prints differently. Each “page” (section) should be of equal size to fold properly.

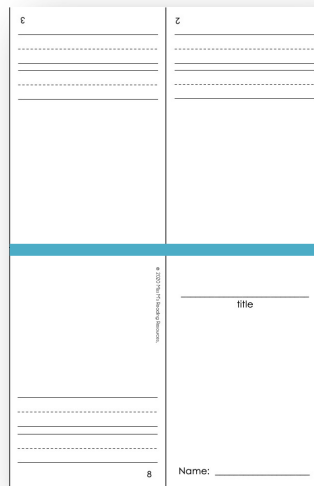

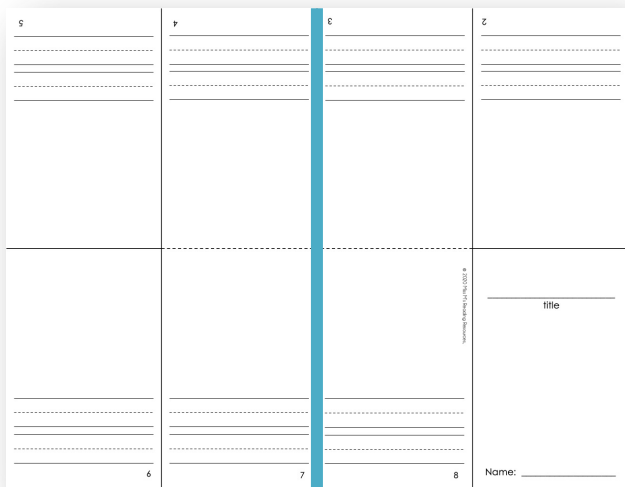

Assembly directions:

- When folding, fold so the pictures and text are on the outside and the blank side of the page is on the inside.
- Fold hamburger, hamburger, hamburger and reinforce (press or pinch) the folds.
- Unfold the last fold and cut on the dotted line.
- Now fold hot dog and reinforce the top fold.
- Holding the two ends of the paper (you should have page 6 on the left side and the cover on the right side), push in so the book takes form. Reinforce the “spine” of the book.

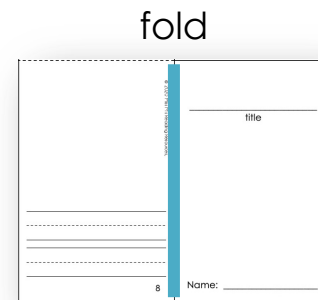

Now read, color, and enjoy! 😊
